Date July 14, 2022
Subject NIAPC listing of Eurotempest BV

This statement is to indicate that Eurotempest BV, located at Collse Heide 44, 5674 VN NUENEN, The Netherlands, is a supplier of TEMPEST equipment and complies to the requirements for NIAPC listing as described in SDIP-55.

The National TEMPEST Authority (NTA) of The Netherlands confirms that Eurotempest BV holds the necessary classified documentation to develop equipment that should meet specified NATO TEMPEST criteria. The test facilities of Eurotempest BV are in a condition which allow performing TEMPEST tests in line with the NATO requirements as described in SECAN Doctrine and Information Publication 27/2 (SDIP-27/2).

The company holds an ISO 17025:2017 accreditation with register number L 585 issued by the Dutch Accreditation Council RvA on May 19, 2022.

The appropriate experience, training and credentials have been verified by the NTA.

This statement is valid for the duration of four years from the date of this document.

Yours sincerely,
The minister of the Interior and Kingdom Relations of the Netherlands,
p.p.,

L. Harteveld
dep. director Intelligence AIVD (GISS)

B. Dunnebier
Head of the National Communications Security Agency of the General Intelligence and Security Service
